THE POWER COMPANY

Plugs

Plug-in connectors for batteries and devices.

Terminal grease – terminal protection spray –Neutralon

Protection for battery terminals, clamps and plug-in connectors. Safeguarding against corrosion, weather influences and battery acid.

Terminal grease
Art. no. 0450001520

Terminal protection spray
Art. no. 0450001620

Neutralon
Art. no. 0450001720

Battery filling system

For the automatic filling of traction batteries.

Battery carrying belt

Easy to use belt for lifting and carrying GiS batteries. Stable anchorage without the danger of slippage.
Art. no. 00450000822

Output cable

Terminal connector with Euro box and grip.

Screw cable connector

Screw cable connectors with various cross-sections and lengths.

Tool

Complete torque key.
Art. no. 0450000122

Water container and accessories

Complete 60l carboy, including accessories.
Art. no. 0450000318

Water filling wagon

For the filling of batteries, including charger, carboy and batteries.
Art. no. 0450000620

Battery cable
16 mm² – 120 mm²

Cable shoes
for 16 mm² – 120 mm²,
6-10 hole size

Cable connectors in various
lengths and cross-sections,
cable shoes

Adapter +/-
M6 round terminal

Adapter +/-
J-type with M8 hole

20 mm end angle
15 mm end angle

Terminal cover,
horizontal

Terminal cover,
vertical

00450000156
Ceramic battery plug
M27 winding
00450000256
Ceramic battery plug,
bayonet

0450000356
Ceramic funnel plug,
without cover, bayonet

0450000457
Refill pitcher, 1.5 l,
transparent

0450000557
Coloured funnel

0450000657
Maintenance set

0450001157
Rubber gloves, size L

Faston 4.7 adaptor

0450001357
Protective glasses

0450001457
Eyewash bottle

THE POWER COMPANY

Traction charger

High-frequency charger systems and conventional 50 Hz devices. HF chargers can be used for both lead/acid and sealed batteries.

Acctiva Easy - Golf Edition

More driving power. Brings the golf trolley safely through the winter break. Ideal charging characteristics for trolley batteries.

Acctiva Easy 1204T Golf Edition
Art. no. 0433000800

Stationary plug-in charger

With mains plug and charger cable, +/- 12V, 500 mA, IU1U2 characteristic, in 60/90/105 mm plastic casing, suitable for all sealed lead batteries (unsuitable for installation in trolleys, etc.).
Art. No. 04310000100

Stationary tabletop charger

With mains plug and charger cable, +/- 24V, 5A, IU1U2 HR characteristic, in 110/175/45 mm steel sheet casing, suitable for all sealed lead batteries (unsuitable for car batteries). Art. No. 04310000580

Banner

THE POWER COMPANY

Digital Multimeter Digipol

For voltage and resistance measurement, automatic polarity display, voltage range 0-1000 V AC/DC.
IP 50 protection
Art. no. 0450000514

Digital Multimeter Current Probe

Contactless and safe measurement of high current, DC and AC measurement up to 600 A.
Art. no. 0450000414

Acid tester with thermometer

For the measurement of acid density, safe and quick reading.
1.08-1.30 g/ml measurement range.
Exact 0.005 fine reading
75 mm long scale
Art. no. 0450000114

Forex Tester 24 V 100 A

Simple handling, precise test results, digital display
RS 232 interface.
Art. no. 0450000714
